### deVivero Obtains Licensure in Georgia

**Longwood, Fla. (February 28, 2011)** – Molly deVivero, head of Civil Engineering for Bentley, has obtained Professional Engineer certification in the State of Georgia. Molly has over 24 years of engineering experience. Her new certification allows Bentley to provide even more engineering services throughout Georgia.

Since its inception in 1984, Bentley Architects + Engineers, Inc. has been providing Architectural and Engineering services throughout Central Florida and the United States. Bentley's services include Architectural Design, Land Development, Structural Engineering and Transportation Engineering. Having this combination of disciplines under one roof enables Bentley to provide its clients with innovative and cost-effective solutions to a variety of projects.
