deVivero Celebrates 20 Years with Bentley Architects + Engineers, Inc.

Longwood, Fla. (May 3, 2010) – Molly deVivero, P.E., recently celebrated 20 years of service with Bentley Architects + Engineers, Inc. Molly started with the firm in 1990 as an Engineering Intern and today she serves as Director of the Civil Engineering Department and Civil Engineering Project Manager. She has expanded Bentley's Civil Engineering and Transportation Engineering services over the years and is an integral member of the leadership team at Bentley Architects + Engineers, Inc.

Since its inception in 1984, Bentley Architects + Engineers, Inc. has been providing Architectural and Engineering services throughout Central Florida and the United States. Bentley's services include Architectural Design, Land Development, Structural Engineering and Transportation Engineering. Having this combination of disciplines under one roof enables Bentley to provide its clients with innovative and cost-effective solutions to a variety of projects.
