Bumbalough and Varela Obtain Professional Licensure

Longwood, Fla. (December 1, 2010) – Two members of Bentley’s architectural staff have earned their professional architect license; Randy Bumbalough, R.A., and Carlos Varela, R.A., LEED AP.

The path to becoming a licensed architect is a long and demanding process that consists of numerous tests spread over the course of many years. We are very proud of Randy and Carlos for their drive and dedication to the profession.

Since its inception in 1984, Bentley Architects + Engineers, Inc. has been providing Architectural and Engineering services throughout Central Florida and the United States. Bentley's services include Architectural Design, Land Development, Structural Engineering and Transportation Engineering. Having this combination of disciplines under one roof enables Bentley to provide its clients with innovative and cost-effective solutions to a variety of projects.
