Bentley Welcomes Newest Project Designer, Diana Chase

Longwood, Fla. (December 11, 2009) – Bentley Architects + Engineers, Inc. is proud to announce the addition of its newest team member, Diana Chase.

In her position as Project Designer, Diana assists Bentley's Architectural Department with a variety of projects, from toll facility design to municipal buildings. Diana has over 9 years of design experience and will contribute to Bentley's continued success with the design of public facilities.

Since its inception in 1984, Bentley Architects + Engineers, Inc. has been providing Architectural and Engineering services throughout Central Florida and the United States. Bentley's services include Architectural Design, Land Development, Structural Engineering and Transportation Engineering. Having this combination of disciplines under one roof enables Bentley to provide its clients with innovative and cost-effective solutions to a variety of projects.
