Bentley Awarded FDOT District 5 Roadway Rehabilitation Project

Longwood, Fla. (December 22, 2008) – The Florida Department of Transportation (FDOT) District 5 selected Bentley Architects + Engineers, Inc. to provide the design services required to mill and resurface approximately 4.5 miles of State Road 44 in Sumter County. The project will enhance safety for motorists and pedestrians as well as extend the service life of this segment of SR 44.

Since its inception in 1984, Bentley Architects + Engineers, Inc. has been providing Architectural and Engineering services throughout Central Florida and the United States. Bentley's services include Architectural Design, Land Development, Structural Engineering and Transportation Engineering. Having this combination of disciplines under one roof enables Bentley to provide its clients with innovative and cost-effective solutions to a variety of projects.
