Bentley Architects + Engineers, Inc. Wins Second Place in Corporate Bowling League

Longwood, Fla. (March 25, 2009) – Six employees from Bentley Architects + Engineers, Inc. participated in the American Society for Civil Engineers' Young Members Forum Bowling League. The league was made up of 10 Central Florida area engineering firms. The Bentley team played a total of six games and took second place with a total score of 9,564.

From Bentley, participants included Adam Henckler, Alan Lockrem, Brain Mullin, Eric Ross, Joni Schumacher (all from the Structural Department) and Siobhan Turner (Marketing Department). Way to go team!

Since its inception in 1984, Bentley Architects + Engineers, Inc. has been providing Architectural and Engineering services throughout Central Florida and the United States. Bentley's services include Architectural Design, Land Development, Structural Engineering and Transportation Engineering. Having this combination of disciplines under one roof enables Bentley to provide its clients with innovative and cost-effective solutions to a variety of projects.

The Bentley Bowling Team: Brian Mullin, Adam Henckler, Alan Lockrem, Siobhan Turner, Joni Schumacher and Eric Ross.
